KINGDOM MATCH • SWEETS

PRINT EACH PICTURE PAGE TWICE

The two copies make the pairs.

MAKE THE CARDS

1. Print on card stock, at Actual Size.
2. Print each picture page (pages 2–6) twice.
3. Print the back (page 7) on the reverse of every picture sheet. Use your printer's two-sided setting, or flip the sheet over and feed it again.
4. Cut out each card along its outer edge.

PLAY

- This set has 52 pairs. Play with as many pairs as you like; little ones can start with 6 to 12.
- Shuffle and lay the cards face down. On your turn, turn over two cards.
- A match? Keep the pair and go again. No match? Turn them back over; the next player goes.
- When every pair is found, the player with the most pairs wins.
- For a bigger game, mix in the Treasure set (its own file).

How to Play

Lay all the cards face down. Take turns flipping over two. Find a match and you keep the pair and go again. When every pair is found, the player with the most wins!
